Producer Matt Brinkler says: “We’ve loved creating **The Little Mix Show** and watching it entertain audiences year after year since 2017! We love the music and wanted to bring something to the audience that was more than the tributes or lookalike shows available. Families are looking for higher quality productions that are as good as the real thing, but at a family friendly price. We’re proud to say that is exactly what we have achieved with this show.”

*“A pop concert experience that all age ranges can find appeal in and enjoy and is performed to beautifully high standards. We would highly recommend if the show is coming to your area you slip on your dancing shoes, and join in the Mix!!”*
